RE: Vote YES to HB 623 & SB 291

Dear _____,

Please support HB 623 and SB 291. As a physical therapy patient, I want patient access to my physical therapist. Louisiana is one of the few states in the nation that requires a physician referral before patients can receive physical therapy services.

Please vote YES on these two important pieces of legislation and allow patients like me to access the healthcare provider we choose.

Thank you for recognizing my ability to take control of my healthcare decisions!

Sincerely,
